

CHILD SAFETY CODE OF CONDUCT

Policy/document number:	001-A	Version:	2
Approved by Committee of Management	Date: 23 September, 2024		
Review Date: 23 September, 2026			

We are committed to having an organisation that is safe for all children where child abuse and harm are not tolerated. Child safety is a priority and the prevention and reporting of abuse is supported and encouraged. All Committee members, volunteers, members, group or event participants and contractors are responsible for promoting the safety, wellbeing and empowerment of children. MMMCH recognises that discrimination can harm children and we treat all children with dignity and respect.

This Code of Conduct sets expectations for how the Committee, volunteers, members, group or event participants and contractors at MMMCH behave around children. This helps children participate safely in any activity offered by or at the House or externally and have fun.

This Code of Conduct identifies positive child safe behaviours that we demonstrate to everyone. It also identifies behaviours that we consider unacceptable and not permitted at the House or an external MMMCH event.

Not following standards of acceptable and unacceptable behaviour is a breach of this Code of Conduct and may result in disciplinary action. Some behaviours on their own may not be a serious breach of the Code of Conduct but together may indicate a concerning pattern of behaviour that poses a risk to the safety of children. Our disciplinary policy provides further information on processes that will be followed if breaches are identified.

All MMMCH Committee members, volunteers, members, group or event participants and contractors must always follow these standards of behaviour, including when at the House, attending an external activity or event, online and when engaging with children and their families at any time:

I WILL:

- take all reasonable steps to protect children from abuse
- take disclosures of harm or abuse made by a child seriously
- raise concerns with management if risks to child safety are identified. Report and act on any concerns or observed breaches of this Code of Conduct
- as a Committee member or volunteer, participate in all compulsory training on child safety and wellbeing if requested
- treat all children and young people with respect, regardless of race, sex, gender identity, sexual orientation, language, religion, political or other opinion, nationality, cultural background, financial situation, disability or other characteristics
- consider the different needs of all children and, support them to participate fully in programs and help them and their families feel included

CHILD SAFETY CODE OF CONDUCT

- make Aboriginal children and families feel included and welcome and support Aboriginal children to express their culture and enjoy their cultural rights
- never be racist towards anyone at the House or an external MMMCH activity event and report any instances of racism I become aware of
- help MMMCH be a place where people of all cultures feel safe and included
- listen to children and respond to them if they feel unsafe.
- value children and young people's ideas and opinions
- promote friendships and encourage children and young people to support their peers
- if appropriate, involve children and young people in decisions about the activities they participate in at MMMCH and welcome the participation of parents and carers in these decisions
- respect the privacy of children and their families, including keeping all personal information confidential unless required by law to share it
- inform parents and carers if there are situations that need to be safely managed but are outside the boundaries of this Code of Conduct
- ensure breaches of this Code are reported to our Secretary who acts as our Child Safety Person immediately
- comply with all relevant Australian and Victorian legislation and our child safe policies and procedures
- uphold the rights of the child and always prioritise their needs.

I WILL NOT:

- condone or participate in illegal, unsafe, abusive or harmful behaviour towards children – this includes physical violence, sexual abuse, emotional or psychological abuse, grooming, neglect or sexual misconduct
- ignore or disregard any concerns, suspicions or disclosures of child abuse or harm
- exaggerate or trivialise child abuse issues
- use hurtful or offensive behaviour or language with children
- fail to report information to police if I know a child has been abused
- touch children in a way that is unnecessary or unsuitable and falls outside what is reasonable to engage in the activities
- persistently criticise and/or denigrate a child
- deliberately prevent a child from forming friendships
- verbally assault a child or create a climate of fear
- offer children and young people alcohol, cigarettes or other drugs
- show children pornographic images
- share details of sexual experiences with a child
- use sexual language or gestures in the presence of children
- initiate unnecessary physical contact with children or do things of a personal nature that children can do for themselves

CHILD SAFETY CODE OF CONDUCT

- develop 'special' relationships with specific children or show favouritism through the provision of gifts or unnecessary or unsuitable attention
- have unauthorised contact with children and young people online, on social media or by phone
- take photographs, screenshots or share images of children involved in activities that are not authorised by their parent or carer
- be alone with a child when there is no reason for doing so

If I suspect that this Code of Conduct has been breached by another person in the organisation:

I WILL:

- act to prioritise the best interests of the child or children
- promptly take actions to ensure the child or children are safe
- as soon as possible report the incident or concerns using the MMMCH complaints process
- maintain the privacy of those involved, following MMMCH record keeping, privacy and information sharing guidelines.

Complaints about a breach of this Code of Conduct must be reported to our Secretary via email:

hello@macedoncommunityhouse.org

Some breaches of this Code of Conduct may need to be reported to the Victorian Police, or to the Commission for Children and Young People. Our Complaint Handling Policy provides more information about our reporting obligations to external authorities as well as describing protections and confidentiality provisions for anyone making a report.

Committee members, volunteers and MMMCH members who breach our Code of Conduct may also be subject to disciplinary action. This can include suspension or termination from the organisation or revocation of membership.

PLEASE NOTE:

If any person within our organisation becomes aware of a substantial risk that a child may become the victim of a sexual offence committed by an adult associated with the organisation (for example, a volunteer or contractor), or any organisation, group or individual attending events or activities at the House or any MMMCH external event or activity and they have the power or responsibility to reduce or remove the risk, then they must take all reasonable steps to do so. A person in authority who negligently fails to take appropriate action to address the risk may be charged with the criminal offence of 'failing to protect' and may face a term of imprisonment.

If an adult reasonably believes a sexual offence has been committed by an adult against a child under the age of 16, they must report it to Victoria Police by calling 000 or going to their local police station. Failure to disclose the information may be a criminal offence.
